Counsel - With a Category 4 hurricane bearing down on us, most of us are battening down and leaving the state. Most offices will be closed through Tuesday, if not longer. Accordingly, we write to request the SEC's consent to a one week extension, at a minimum, in connection with the filing of Brauser's and Grander Holding's Reply to Opposition to Motion to Dismiss. We intend to file an extension request with the Court this afternoon. Please let us know whether we may state that the SEC consents. Thank you. Melissa
